

# Digital Printing Portfolio for HP Indigo

As an HP Indigo Global Preferred Media Partner, Avery Dennison has developed the widest range of pre-optimised self-adhesive and Rapid-Roll® materials for HP Indigo presses and digital printing.

Our Digital portfolio offers many advantages:

## > Broadest Portfolio

- » Over 150 pre-optimized products
- » Flexibility via custom engineered solutions

## > Leading Quality

- » Avery Dennison TC7214 Indigo Topcoat
- » Strong technical and sales support

## > Faster delivery Smaller order quantities

- » Commercial lead time to shipping\* for core products is 1 business day (24 hours)
- » Reduced MOQ: single roll 500SQM for core products

## > Cost Efficiency

- » An end to the additional risks and costs of in-house topcoating
- » Optimal operational turnover

The benefit to our customers: to provide the quality your customers demand and make big productivity gains:

- > Less downtime: No more priming or using different topcoats, and a saving of at least 30 minutes/day of cleaning time
- > Reduced waste: Up to one year warranted shelf life and up to 5% material savings during production
- > Better service: 24 hours commercial lead time, with a single roll MOQ of 500SQM (332mm x 1500mm) to cut working capital

\* Ready for shipment within 24hrs. Delivery time may vary depending on location.
