FSC® CERTIFIED MATERIALS*

As Avery Dennison, we are fully committed to FSC (the Forest Stewardship Council) certified materials.

Inline with our Responsible Sourcing Policy, more than 75% of our total paper volume* comes from FSC certified sources and we have been working with our value chain partners to offer our FSC range at price neutral to remove the price as a barrier.

With more than 1100** active FSC products to choose from and with uncompromised Avery Dennison products performance, we offer the largest FSC certified portfolio in the industry.

Contact your local sales representative for the latest listing or more information.

 Note that as a label converter you can transfer FSC certificates to customers as long as you have achieved FSC certification - this is required in order to maintain the FSC Chain of Custody. Click [here](#) for more information.
