

Select Solutions™

Tag Stock Portfolio

Whether for sock bands and garment labels or multipurpose pricing, information and work-in-process tickets and labels... our printable, bright white pressure-sensitive tag materials add efficiency and productivity to every application. Available in a range of thicknesses and adhesives, our pressure-sensitive tag materials are apparel-friendly, adhering beautifully to fabrics and uneven substrates, yet removing cleanly without leaving adhesive residue. Tag stock portfolio materials are designed for easy converting and dispensing, printing well using screen, offset and solvent/water based flexo.

Portfolio Components

- Pressure-sensitive, bright white tag constructions
- Featuring 8 and 10 point tag facestocks
- A range of adhesives including cold temperature, removable and high strength

Portfolio Characteristics

- Consistent adherence to uneven substrates and fabrics
- Apparel friendly; removes cleanly from fabrics
- Stiffness and high internal strength for more challenging applications

Applications and Segments

- Sock bands and garment labels
- Retail price tickets
- Information labels
- Work-in-process labels

Product Information

Avery Dennison ADvantage Technical Excellence

You can count on members of the Avery Dennison ADvantage: Technical Excellence Team to help you find the products and solutions that work for you and your customers. Our technical experts are dedicated to making your next application a success. Our people are there for you, helping with scaleup, converting, application troubleshooting and employee training. We'll put the industry's most comprehensive offering of facestocks, adhesives and liners to work for you in the shortest possible time.

**Are we missing a construction you need?
Ask about our Select Solutions Engineered Solutions.**

Contact your application consultant or sales representative to discuss how we can meet your needs. We have a team of technical solutions leaders dedicated to developing engineered solutions that fit your timeline and your bottom line.
